The feeling of graduating is joyful. 😊

Although I am looking forward to my new school life, I will miss this school a lot.

Teachers and schoolmates here were nice and they helped me a lot. Thanks to the teachers who helped and the schoolmates' for their kindness. I'll never forget the fun-filled primary school life.

During my time here at Lau Tak,

I made a lot of friends and one of them was Louis, my BFF! She helped me through primary school. I will miss the teachers as they helped us through all kinds of problems and I'm grateful for their hard work. ❤️

During my time here, I have seen many changes in the past six years. From the friends I made, to all that I learnt. One thing tells me, that there will always be a missing piece in my heart. This school!
